GROUND TRAVEL

Rental Cars:

There are several rental car businesses near Louisville International Airport.

Louisville International Airport's website offers a list of rental car companies that have on-site locations. [Click here](#) for a link to the webpage.

The following link is a Google Maps listing of additional rental car companies around the airport: [Click here](#).

Other Transportation Services:

Taxis

Taxis from the airport can cost approximately \$35 to 40. If you are okay without a vehicle (note, the residency hotel is within walking distance to Southeast), this would likely end up being cheaper than renting a vehicle for the weekend. The airport provides limited information on taxis at the airport ([click here](#)).

Shuttle Service

We've also coordinated with a shuttle service that can provide a van at the rate of \$40 for inbound traveling and \$35 for outbound. Please email Justin Wilson at jrwilson@londeninstitute.com if you would like to schedule a pick-up with the shuttle service.

Carpooling

There are several attendees from the Louisville area that may be able to provide transportation to and from the airport. If you would like to provide transportation or are seeking a ride, please visit the Facebook page to post on the [Discussion Board](#).

Hotels with Shuttles

According to the Louisville International Website, several motels and hotels around the airport provide courtesy shuttles to and from the airport. [Click here](#) to see the list of locations. Please note, most of these are not close to Southeast Christian Church. While these hotels may provide travel between the airport and motel/hotel, they will likely *not* provide transportation to the church.

HOTELS

Please note, the Residency runs from Thursday, October 1 to Saturday, October 3. If staying for the Residency only, you will want to check-in on September 30 and check-out on October 3. You are welcome to extend your stay if you wish.
